Notice No. 30- BOPEE of 2018 Dated 02-05-2018

Some NEET PG, candidates 2018 have sought clarification as under:-

- In view of short time prescribed for joining on upgradation, the candidates will not be able to obtain the documents deposited by them in the college/institution allotted to them during the 1st round of counselling,
- II. Institutions may be asked to keep the counters open during late hours also as there will also be a movement of candidates from one region to the other.

The above have been examined and it is hereby clarified as under:-

- i. A candidate, who has taken admission in a college/ institution and has deposited documents in that institution, and consequent upon his/her upgradation should be allowed to join the institution also will not insist for release of documents from the institution in which the documents have been deposited, as it may not be possible for candidates to do so in view of limited joining time available. The institution, therefore should accept the receipt of the documents as a proof of documents deposited;
- ii. However, the candidates are advised to submit the photo copies of such documents deposited by them with the institution allotted to them after upgradation;
- iii. The documents retained by the college shall be released to the candidates at an earliest;
- iv. The institutions shall work out a mechanism amongst themselves and also seek scanned copies of the documents deposited by the candidates with fellow institution which is possible in view of the technology available at hand;
- As requested hither to fore, the institutions shall also work out a mechanism for adjustment of fee paid by the candidates/refund of the fee wherever applicable;
- vi. The institution shall ensure that sufficient counters are kept open for facilitation of the candidates, so that the candidates are admitted to the college even after the office hours. Since in Jammu Medical College

office timing is upto 2:00 P.M, there is a possibility that the candidates from valley may reach after 2:00 P.M. therefore, the counters should be kept open after 2:00 P.M also and upto such time as may be reasonably convenient. It shall also apply to the institutions in the valley as well.

- vii. The ASCOMS shall also ensure that the facility is provided to the candidates on above lines.
- viii. The college/ institution shall follow other instructions given to them from time to time for completion of the admission process in a time bound manner and adhere to the MCI guidelines in this regard.
- ix. The institutions should ensure that the Bank Branches within their premises are kept open beyond normal hours so that candidates are not put to any hardship/inconvenience on this count.
