Notice No. 66-BOPEE of 2019

Dated 08-07-2019

In pursuance of Notification No. 59-BOPEE of 2019 dated 05-07-2019, Board has received some queries/clarifications and strictly not representations with any documentary evidence in support of their claim that they have not been assigned proper positions. The queries have been responded to, through e-mails from which these have been received. However, it has been found that:-

- (i) Most of the queries pertain to allocation of reserved category candidates to some colleges. The matter has been examined by the Board. The allotment of the seats in the medical course at UG level is being done in accordance with Rule 13, 14 and 17 of the reservation rules on the basis of merit cum preference of the candidates. Rule 17 has been applied strictly in letter and spirit and as a consequence 118 category candidates have found place in the OM out of which Rule 17 has been applied in 72 cases. As a consequence of the application of Rule 17, the initial seat matrix which is tentative in nature does not remain in its form and is subject to changes as become necessary.
- (ii) However, the male, female ratio and the college capacity intake has remained unaltered besides reservation ratio has also been maintained strictly in accordance with rules. Such queries made by the candidates are accordingly disposed off.

**Errors & Omissions Excepted.**
